30 inch 600 CFM Wall Mount Range Hood

This Caloric Wall Mount Range Hood is the perfect addition to your kitchen. It features 600 CFM of power for efficient ventilation, three speeds of operation to fit your cooking needs, and LED lighting for optimal illumination.

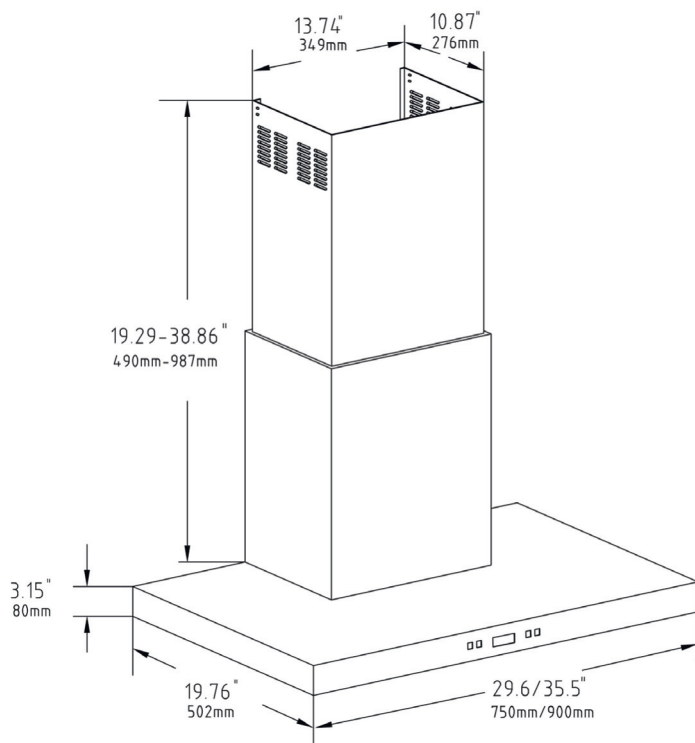

Its stainless-steel baffle filters are washable and provide efficient air filtration, while having a low noise level of between 1.0 Sone (min) and 5.0 Sone (max). Enjoy the convenience of Electronic Touch Control and top venting, with a 6" round exhaust for compatibility with different kitchen types.

Rest easy with a 1-year parts and labour warranty. An optional recirculating kit is available, as well as a chimney extension to offer you the option to install the hood on a higher ceiling.
