

CVP1030SS

30 Inch 900 CFM Pro Undercabinet Range Hood

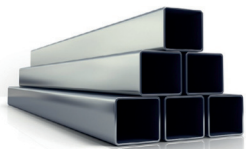

This Caloric Pro Undercabinet Hood is an extra powerful addition to any kitchen. It features a potent 900 CFM motor that creates a powerful and effective suction to remove odors and smoke.

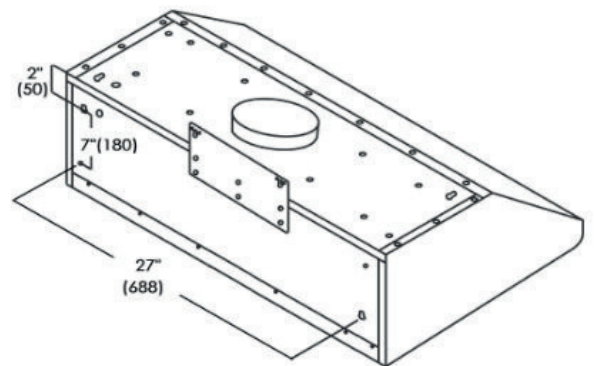

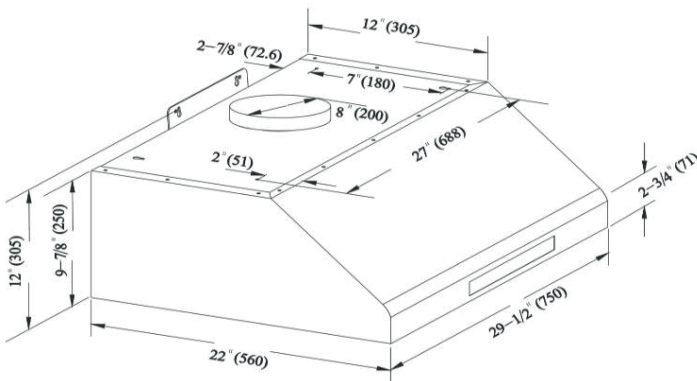

With 4 speed settings to provide flexibility, LED lighting for illuminating your cooking area especially well, and washable stainless-steel baffle filters to help keep your kitchen air clean, this hood operates at a maximum of 7.5 sones making the sound level quite acceptable in your kitchen. It also has an electronic touch control system with remote, and is top vented with either a 8" round exhaustor a 3 1/4 x 12" rectangular exhaust to provide flexible installation in any kitchen.

All of this is backed by a 1-year parts and labour warranty, giving you total peace of mind with a long lasting and reliable ventilation system.
